

September 18, 2018

Dear Ms. Hildebrand

We are pleased to inform you that your Continuing Education Activity, Live Aware Expo: Living Healthy in a Toxic World, Environmental Medicine Update, has been approved by the American Association of Naturopathic Physicians.

In order to process certificates for attendees, AANP will need to receive a list of attendees following the program. Please send an Excel Spreadsheet with full name, email, and total number of credits to Rebecca Takemoto at [rtakemoto@sync-opate.com](mailto:rtakemoto@sync-opate.com). Hand-written, hard copy or faxed lists will not be accepted. Once the list has been received, we will send certificates of attendance to each attendee.

Don't hesitate to contact me with any further questions or concerns.

Sincerely,

Rebecca Takemoto  
AANP Continuing Education Coordinator
